

Veterans Club of Solivita Scholarship Foundation

Our Veterans Scholarship Foundation is dedicated to providing scholarships to graduating local high school JROTC students, or students whose parent/guardian is serving or has honorably served in the US Armed Forces or Reserves.

Forty seven scholarships have been awarded since 2008, with each one now including a laptop with Microsoft Office Student software. We continually strive to increase the number and value of scholarships awarded.

Our scholarships are four year awards, renewable annually by maintaining a minimum 3.0 GPA and full time student status. Our scholarship is \$1,500 and the laptop the first year and \$1,000 in each of the following three years. This total value is nearly \$5,000. The value of our future awards is dependent upon our funding and may vary.

Our applications will be available through your JROTC staff and school counselors. Applications will request information about your school activities, community involvement, school transcript indicating a 3.0 or higher GPA, future goals, etc. as well as a short essay on a topic we will determine.

Applications will be available in November with a due date in March. Selection will be made by our Foundation Directors in April with notifications to scholarship awardees shortly after. The scholarship award and laptop will be presented at your high school senior awards night by our Veterans Club of Solivita Scholarship Foundation Directors.

Also, all scholarship winners will be invited as VIP guests, along with their families, to our Memorial Day Ceremony in Solivita. You will be introduced to our board of officers, honor guard, as well as our formation of veterans and hundreds of Solivita residents. After the ceremony, you and your family are welcome to interact with the veterans and residents.

We really look forward to receiving your application. Please allow us to assist you in attaining your future college degree.
