### Mission Statement

The mission of Gateway High School is to enhance the students' academic, artistic, social and technological skills to meet the challenges of a rapidly changing and increasingly diverse society

Dear Community Partner:

I would like to extend an opportunity for your organization to partner with our school this year. At Gateway High School we focus on providing students with the best education, as well as a positive and safe environment for our students and staff.

We would like to find creative ways to begin a partnership with you. A sense of community is important now more than ever! We know that our families would be grateful for your support and would love to support your businesses, as well. As a Title 1 school, we always need additional financial support for our students in the following areas: Athletics, Classrooms, Honor Roll and Attendance Recognitions and PBIS (Positive Behavior Intervention Support) incentives each quarter.

If you are interested in learning more about becoming a Partner in Education, please contact me at 407-935-3615/ 407-935-3600 or at [Gilsiri.RiveraLopez@osceolaschools.net](mailto:Gilsiri.RiveraLopez@osceolaschools.net). Sincerely,
