Presenting...

Print Shop Pro

The Osceola Schools Print Shop online ordering system

Print Shop Pro makes it possible to...

View all District forms and order online

Upload your own computer files for printing...

...or fill out an order online, print it out and send it in with your paper originals or other offline material.

View your order history and reorder

Learn how to use Print Shop Pro, with detailed instructions and video tutorials, at the Print Shop web site:

https://fl50000609.schoolwires.net/Page/1983

Contact your bookkeeper for specific information on how your school or department handles printing orders. ***Each time you order***, you must get approval from your school or department, and budget numbers to use from your bookkeeper.

Separate boxes are provided to enter each part of the budget strip:
YEAR FUND FACILITY PROJECT FUNCTION OBJECT PROGRAM S
Enter the correct number of characters in each box.
Do not type periods or any separator. Note that you enter the 2-digit budget year in which the order is being charged.
Bookkeepers: If you have problems with your budget numbers, contact the Finance Office.

Ye Olde Print Shop

Print Shop Pro replaces Digital StoreFront and paper-based Printing Requests.
For more information about Print Shop Pro contact Penny Mol at penny.mol@osceolaschools.net or telephone extension 67215.
