

FSRBC provides unbiased education to Retirees on the complicated topic of Medicare with no pressure to enroll. The plan and information provided are a free service to eligible participants, and the FSRBC representatives are not receiving commissions based on product recommendations.

**FSRBC offers:**

- Group National Medicare Advantage Plans *(not available outside of the FSRBC)*
- Group Prescription Drug Plans *(not available outside of the FSRBC)*
- Individual AARP Medicare Supplement Plans
- Individual AARP Prescription Drug Plans
- Dental and Vision Plans *(not available outside of the FSRBC)*

To learn more about each specific plans visit our website at [www.myfsrbc.com](http://www.myfsrbc.com) or download our initial enrollment guide [here](#).

**Benefits of FSRBC:**

Plans available through FSRBC generally have lower member out of pocket cost than the plans available in the general marketplace

- Group MAPD and PDP plans have a much **richer drug benefit** and a broader network –
  - Group Plans are NOT available outside of the Consortium
  - Comprehensive drug availability giving retirees access to MORE prescriptions
  - National PPO provider networks for group MAPD plans
- MAPD plans start at **\$0 monthly premium**
- **Variety of plan options** to meet retirees' health and financial needs
- Dental, Vision, MAPD, Medicare Supplement and PDP plan options

Enhanced **concierge services** with weekly virtual interactive Medicare classroom with FSRBC staff. [Click Here to Register](#)

**Enhanced payment options with FRS Pension deductions** – Health insurance subsidy dollars are not considered taxable income by FRS if you have your premium dollars deducted from your pension check.
