Mental and Emotional Health Education Implementation Plan

6: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

7: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

8: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

9: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

10: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

11: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

12: The teacher will be facilitating the curriculum to the whole class using videos, discussion questions and a written reflection.

Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.

6: The School District of Osceola County is using Purpose Prep curriculum through Edgenuity platform, designed for Mental Health Education. Purpose Prep's curriculum is scaffolded to progress through each grade level. The teachers will show the appropriate videos to the class and allow time for specific classroom discussion in between the videos. Students will be given the opportunity to write a reflection on the topic discussed. The teacher and support staff including school counselors and social workers will review the student reflections. There will be 6 class sessions to cover the content of mental health, substance abuse prevention and child trafficking prevention.

7: The School District of Osceola County is using Purpose Prep curriculum through Edgenuity platform, designed for Mental Health Education. Purpose Prep's curriculum is scaffolded to progress through each grade level. The teachers will show the appropriate videos to the class and allow time for specific classroom discussion in between the videos. Students will be given the opportunity to write a reflection on the topic discussed. The teacher and support staff including school counselors and social workers will review the student reflections. There will be 6 class sessions to cover the content of mental health, substance abuse prevention and child trafficking prevention.

8: The School District of Osceola County is using Purpose Prep curriculum through Edgenuity platform, designed for Mental Health Education. Purpose Prep's curriculum is scaffolded to progress through each grade level. The teachers will show the appropriate videos to the class and allow time for specific classroom discussion in between the videos. Students will be given the opportunity to write a reflection on the topic discussed. The teacher and support staff including school counselors and social workers will review the
