

The School District of Osceola County, Florida

POSITION DESCRIPTION

TITLE: **Blueprint Specialist**

QUALIFICATIONS:

1. Bachelor's Degree
2. Florida Certification in Vocational Education
3. A minimum of three (3) years successful teaching and/or school related experience.

REPORTS TO: Director of Technical and Adult Education

POSITION GOAL: To Coordinate the integration of the Blueprint for Career Preparation at pilot sites and help establish new Blueprint sites.

PERFORMANCE RESPONSIBILITIES:

1. To establish and update on a continuous basis the goals and objectives of the local pilot sites.
2. To oversee the implementation of the Florida Department of Education's Blueprint and SREB goals.
3. To coordinate the implementation of a four-year career education plan for all students.
4. To incorporate applied courses into the curriculum with course instructors on lesson plans, evaluations, and materials.
5. To infuse applied techniques into current academic classes.
6. To establish volunteer cross-curriculum teams to help integrate basic competencies and career skills into all classes.
7. To coordinate activities of a business steering committee.
8. To coordinate activities of an articulation committee to include representation from each Osceola County school.
9. To serve as a resource contact for new Blueprint sites and expansion of Blueprint goals in Osceola County schools.
10. To serve as a consultant for all new Blueprint schools in implementing their goals.
11. To serve as a media consultant to provide publicity and media coverage about site activities and programs.
12. To perform other duties assigned by the Director of Technical and Adult Education as they relate to the operation, creation, or implementation of the Blueprint for Career Preparation.

TERM OF EMPLOYMENT: Ten (10) months – Teacher Salary Schedule

EVALUATION: Performance in this position will be evaluated by the Director of Technical Adult and Education.
